ANNUAL RESIDENTIAL BRUSH ALLOWANCE

The Culpeper County Board of Supervisors would like to update residents on a new BRUSH POLICY. The new brush policy allows residents to dispose of 1,000 pounds of brush FREE per year. We will track the amount disposed of by each resident using your vehicle license plate number. A **$57.75** per ton charge will be applied to any load disposed of, regardless of weight, after the 1,000 pound allowance has been met.

Our previous brush policy granted residents three FREE loads of brush per year, regardless of weight. This policy penalized residents who owned smaller trucks as well as cars, since they can only carry small loads. The new policy grants all residents the same 1,000 pound exemption regardless of how the brush is delivered to the Transfer Station. The new policy went into effect on February 1, 2002. Exemptions will be renewed on July 1st of each year.

If you have any questions on the brush policy, please call the Department of Environmental Services at (540) 727-3409.
