

Individual Providers Located in Culpeper County, Virginia

The List includes individual providers that have met licensing requirements for child care in the Commonwealth of Virginia. During the absence of the parent or guardian for less than 24 hours, the individual provider assumes responsibility for the supervision, protection and well-being of a child less than 13 years of age. The providers below are referrals, not a recommendation. It is the responsibility of each parent or guardian to select or monitor child care and determine the quality of the care.

State Licensed Family Day Home

The code of Virginia mandates the licensure of family day homes that provide care for six to twelve children. Licensing standards, which are proposed by the State Board of Social Services and enforced by the Division of Licensing Programs, ensures that the activities, services and facilities of the family day home are conducive to the welfare of the children in care. Licensing inspectors, make scheduled and unscheduled visits. For additional information on these providers please contact the licensing office at <http://www.dss.virginia.gov> and select children.

Voluntarily Registered Family Day Home

Voluntary Registration is a form of regulation offered to family day homes that are not required to be state licensed. The contract agency, child nutrition, makes an initial home inspection to make sure basic child safeguards are adequate. A small number of these homes are monitored for compliance with staffing requirements and health safety checklist. For additional information, please contact Child Nutrition at 1.800.735.5434.
