As we strive to provide continuity of services as administered by the Planning and Zoning Department during this time and still comply with Local, State and Federal directives regarding the outbreak of COVID-19, we ask the following of our customers for the foreseeable future:

1. If at all possible, please conduct any and all business by phone or email. This includes general inquiries, submission of permits, plans and paperwork. We will accept email submission for permit and application requests.

2. Requests for face to face meetings should be severely limited in order to help with social distancing guidelines. We are happy to communicate with you by phone, web meetings, or by other electronic means.
3. No customer will be turned away, but we all need to do our part to minimize the spread of COVID-19

We truly appreciate your patience and help during this time.
