3 EASY WAYS TO REGISTER

Registration opens Friday, May 22, 2026.

PHONE

Call 540-727-3412 to register, set up an ActiveNet account, or reserve a facility. Credit card payment is required at the time of the call.

ONLINE

Visit WWW.CULPEPERRECREATION.COM and select "Click to Register." Create an ActiveNet account, register for activities, or reserve select facilities. Credit card payment required.

WALK-IN

Register, reserve, or set up an account at the Parks & Recreation Administrative Office, 16388 Competition Drive, Culpeper.

Hours: Mon-Sat 8:00am-9:00pm; Sun 10:00am-6:00pm (closed Thanksgiving Day, Christmas Eve & Day, New Year's Day, 1/2 day New Year's Eve).

Cash, check, and credit cards accepted.

IMPORTANT INFORMATION

Full payment is due at registration.

Accepted payments: cash, check (payable to CCPR), credit cards, Apple Pay, and Google Pay.

Registration is first-come, first-served.

Open to all, regardless of residency; non-county rates may apply.

Credit card transactions will show up on your statement as: ACT*CulpeperRecreation

ActiveNet

ActiveNet is the recreation software used by CCPR to manage registrations, online sign-ups, facility reservations, point-of-sale transactions, and credit card payments.

To participate in department activities, reserve facilities, or apply for financial aid, each household must have one ActiveNet account with all family members listed. Accounts can be set up online or by calling or visiting our office.

Registrations, reservations, memberships, and financial aid cannot be processed until an account is established. Please keep your contact information up to date.

REGISTER BY

The "Register By" date is the deadline to meet the minimum enrollment required to offer the activity. If the minimum is met, registration will remain open until the day before the activity begins or it reaches capacity, unless otherwise noted. If the minimum is not met, the activity will be canceled and refunds will be issued.

REFUNDS & CANCELLATIONS

Refund requests must be submitted in writing to Parks@CulpeperCounty.gov.

One-day activities: Requests must be received at least **4 business days before the activity** (by the *Register By* date).

Multi-day activities: Requests must be received **before the second meeting date**.

Refunds are **not issued after an activity is completed**.

If supplies are included with registration, the **supply fee will be deducted** from the refund.

CCPR reserves the right to cancel activities/reservations for any reason and to refuse any registration/reservation for any reason. Refunds are given for any CCPR cancelled activity/reservation.

YOUTH SPORTS FINANCIAL AID

Every Child Deserves to Play!

Sports build confidence, teamwork, and lifelong memories, but registration fees can sometimes be a hurdle. The Culpeper County Board of Supervisors believes every child should have the chance to play, no matter their family's financial situation.

That's why the Parks & Recreation Department offers the **Youth Sports Financial Aid Program (YSFA)**.

Here's what you need to know:

- **Who can apply?** Any Culpeper County youth.
- **What's covered?** One full registration fee per child, per season (Spring, Fall, and Winter).
- **What's not covered?** Equipment or additional fees outside of registration.

Double the Support, Double the Fun!

Families can apply for **both** Recreation Scholarships and Youth Sports Financial Aid—helping cover cost to keep your family active, engaged, and playing all year long!

• Which leagues participated this Fall?

- Culpeper Football Association: Deadline August 3
- Culpeper Little League: See online for deadline
- Culpeper Soccer Club: Deadline July 31

If cost has kept your child on the sidelines, this is your chance to get them in the game. Apply today and let's make sure every young athlete has the opportunity to play!

Applications can be submitted online: www.CulpeperRecreation.com or in person at the Culpeper County Fieldhouse.

Have questions about either program? Please email FinancialAid@culpepercounty.gov.

RECREATION SCHOLARSHIP

The *LIVE HERE. PLAY HERE.* Recreation Guide is packed full of amazing programs, classes, and activities for all ages. We work hard to keep everything affordable, but we also know that sometimes life throws curveballs, and extra spending just isn't in the budget.

That's where our **Recreation Scholarship** comes in! Thanks to the support of the **Culpeper Recreation Foundation, Inc.** and the **Parks & Recreation Advisory Committee**, we've made it easier than ever to apply and qualify.

Here's how it works:

- Open to **all Culpeper County and Town residents**—not just kids!
- Once approved, you'll receive **\$50 per person in your household** as credit on your ActiveNet account.
- You choose how to use it! Apply it toward one person's higher-cost program, spread it out among the whole family, use it for memberships to the Fieldhouse or Community Pool or even for daily admission fees for the Fieldhouse or Community Pool. The choice is yours.

The only catch? Funds must be used by **June 30**—but don't worry, you can re-apply starting July 1 if you still need a little help.

So don't let cost keep you or your family from joining the fun. Apply today and get back to doing what Culpeper does best: **LIVE HERE. PLAY HERE and PLAY MORE. PAY LESS!**

Live here. Play here.

INSTRUCTOR SPOTLIGHT – KELLY CUMMINS WITH K ART & DESIGN

Our community is lucky to welcome back a familiar and much-loved face in the art studio! After many years of sharing her creativity with our participants, this talented instructor has returned to continue inspiring artists of all ages. Welcome back Ms. Kelly of K Art & Design!

Known for her warm teaching style and ability to make art approachable for everyone, Kelly creates a welcoming environment where beginners feel comfortable and experienced artists can continue growing their skills. Whether working with children who are discovering art for the first time or adults exploring a new creative outlet, Kelly's *Art Jam* classes focus on creativity, confidence, and having fun with the process.

Participants can currently find Kelly leading a variety of popular classes, including Acrylic Painting, Watercolor, Sketch Club, and Zentangle (see page 8 to find out about Zentangle). Students learn techniques and tips while also being encouraged to develop their own style and ideas. No two classes are exactly alike, and every participant leaves with artwork they can be proud of.

If you've been looking for a creative outlet or simply a relaxing way to spend an afternoon or weekend, consider joining an *Art Jam* class. Whether you're picking up a brush for the first time or returning to art after years away, you'll find inspiration waiting in the classroom.

AQUATICS

Swim Lessons

- Students may need to attend several sessions of the same level before progressing to the next level.
- If a student enrolls in a lesson that is too advanced for his/her skills, CCPRD staff will make every effort to accommodate the student by placing him/her in the appropriate level. However, if the appropriate level is not available during the same dates, the registration fee will be refunded so the student may register for the appropriate level offered during a later session. The student will not be allowed to participate in a level that is too advanced for his/her skills.
- Cost listed is for all the dates listed, per child.
- Additional important information, make up dates & more lesson details are online – PLEASE READ!

Kindergarten Readiness & Review:

Part 1 **NEW!**

Ages: 4-6.5, 2 wks

Part 1 of a 2-part series... Fun, games, stories, and learning to help make sure that your child is in fact "ready" to start school. According to a 2022 report to the General Assembly, 42% of Virginia's kindergarteners were unprepared for school in one or more of the areas of math, literacy, social skills, and self-regulation. This class will address each of these areas and help to fill in any gaps, solidify understanding of important concepts, and extend your child's learning. Practice packets/materials will be sent home with students each week.

Infant/Toddler Swim Lesson

SWIM LESSONS...LET'S LEARN!

Culpeper County Parks & Recreation (CCPR) is pleased to offer swim lessons for community members of all ages and abilities. From infants as young as six months to senior citizens, these classes are designed to help participants feel comfortable, confident, and safe in the water.

Whether you are introducing a baby or toddler to the pool for the first time, enrolling a preschooler who is ready to learn the basics, or helping a child build stronger swimming skills, CCPR has a class that fits your needs.

Swimming is an important life skill, and it is never too late to learn. In addition to youth classes, CCPR offers lessons for teens and adults who may have never learned to swim or who would like to improve their technique and confidence in the water. Our instructors create a welcoming and supportive environment where swimmers can progress at their own pace while developing skills that promote safety and lifelong enjoyment of the water.

CCPR is also proud to offer dedicated Adaptive Swim Lessons. These specialized programs are designed to meet the unique needs of individuals with disabilities or special needs, providing a safe, patient, and encouraging environment where participants can learn and grow. Adaptive lessons focus on building comfort in the water while developing swimming abilities tailored to each individual.

Registration for swim lessons is available online. If your preferred class is full, please be sure to add your name to the waiting list. As additional Red Cross Certified Swim Instructors are hired, more classes will be scheduled to meet community demand.

CCPR'S RECREATION SCHOLARSHIP PROGRAM

Many families in Culpeper take advantage of CCPR's **Youth Sports Financial Aid** program that assists parents of children throughout the county in playing league sports. This program has grown exponentially over the last few years with Culpeper Soccer Club, Culpeper Youth Rugby, Culpeper Little League, Culpeper Football Association, and now Culpeper Youth Basketball accepting these children. In Spring 2025 alone, nearly 150 applicants were awarded scholarships to participate in these spring sports.

What many parents do not realize is that Culpeper Parks & Recreation (CCPR) offers its very own **Recreational Scholarship** program for families to participate in the many activities and programs offered by CCPR! From arts and crafts to fitness classes, educational series, camps, athletic programs, and more; your family can receive up to \$300 per household annually (\$50 per member for up to 6 members). Once approved, families can choose from the many programs offered and use

the funds however they see fit! If you qualify for the Youth Sports Financial Aid program, you qualify for the Recreation Scholarship program.

These scholarships are made available through donations from individuals and organizations and the Culpeper Recreation Foundation, to help financially challenged Culpeper County residents participate in CCPR hosted recreational activities.

If you or somebody you know are considering a contribution to CCPR, your generous commitment to community will support our initiative of developing and providing affordable recreation and leisure services for all residents. Contact the department or visit our website for more information.

DONATING TO SUPPORT AQUATIC FUN

Access to diverse recreation and leisure services are essential to experiencing a fulfilling life—especially instructed and open play aquatic opportunities. Starting in May 2026, Culpeper County Parks & Recreation will officially provide community members the chance to socialize and recreate in a fun, positive, and supportive environment at the newly constructed Culpeper Community Pool, 16390 Competition Dr., Culpeper, VA 22701.

To provide these aquatic opportunities, the Department is launching the first-ever “Access to Aquatic Fun” Community Swimming Initiative. This initiative has three (3) primary objectives:

1. Planning and implementing diverse aquatic programs and activities,
2. Creating a sense of community for individuals and families,
3. Utilizing supplies and equipment to create fun and educational aquatic opportunities.

In a statement from Mr. Jeff Say, Program Manager of Community Engagement for UVA Health Culpeper Medical Center, “UVA Health Culpeper Medical Center is pleased to support the new County pool and the “Access to Aquatic Fun” program by providing funds to help purchase needed safety material to protect the community. By helping offer more athletic opportunities in the community, UVA Health is striving to manage chronic conditions. Swimming and water related activities can help address chronic conditions like hypertension, heart disease, and diabetes. UVA Health’s goal is to transform health and inspire hope in all Virginians and beyond, and Culpeper County Park and Recreation’s new pool programming aligns with our organization’s mission.”

Thanks to this donation, Culpeper County Parks & Recreation has been able to secure life jackets for infants, kids, and adults, lifeguard hip bags, rescue tubes, ring buoys, spine boards, life hooks, adjustable training platforms for swim lessons, paddlers, kickboards, and much more for the Culpeper Community Pool and its attendees.

In addition to UVA Health Culpeper Medical Center, the Department would also like to extend a special thank you to the many community partners that have assisted with the construction and operation(s) of the Culpeper Community Pool such as the Friends of the Rappahannock, Eastern View FFA Club, Culpeper County Extension Office, Mom-2-Mom, Mid-Day Lions Club, Pearl Sample Leaders of the Pack, and the Rappahannock Electric Cooperative.
