### Do You Want To Give Back & Make a Difference?

Volunteers are a vital and integral part of the Culpeper County Parks and Recreation Department (CCPRD). In some cases, programs and activities would not be an option without the support of a volunteer, and in others, volunteers help lighten a load or brighten a day. Volunteer opportunities exist in all areas of the Department from working with preschool to senior populations, to parks service helpers, to assisting with special events. The opportunities to make a difference in OUR COMMUNITY are limitless with Culpeper County Parks and Recreation.

To start your journey as a volunteer with CCPRD, visit [LetsVolunteer.org](http://LetsVolunteer.org) for a list of currently available opportunities or contact April Coffey, Office Manager at 540-727-3412, ext. 4 or [acoffey@culpepercounty.gov](mailto:acoffey@culpepercounty.gov) if you don't see something that fits your interest/skills.

Due to the limited space in this *Live Here. Play Here.* Recreation Guide, most activity descriptions have been shortened. Please check out activities you're interested in online as most will have more detailed descriptions posted there.

# ATHLETICS

## What are Unified Sports?

Unified Sports joins people with and without intellectual disabilities on the same team. Unified athletics is run by a simple principle: training together and playing together is a quick path to friendship and understanding. In Unified Athletics, teams are made up of people of similar age and ability. That makes practices more fun and games more challenging and exciting for all. Having sport in common is just one more way that preconceptions and false ideas are swept away.

Special Olympics has provided year round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities since its founding in 1968. The focus of Special Olympics is to provide athletes with continuous opportunities for physical fitness, friendships, and mentorships.

Each year, Special Olympics holds nearly 2,000 competitions for youth and adults at no cost to the participant. Anyone with an intellectual disability who is eight years or older can participate in Special Olympics! Ages 2–7 can also participate in the Young Athletes program, which is a program geared towards younger athletes both **with and without** intellectual disabilities. Participants enjoy a mix of play and sport activities that work on motor skills like balance, flexibility, and coordination.

## Mountain Run Lake Park Pickleball Court Ribbon Cutting

By Davy Meister

Culpeper was in a pickle. The fastest growing sport in America—pickleball—was at its doorstep, and hundreds of passionate players were running out of court space.

Dink-dong. Culpeper Parks and Recreation calling!

(Dink: pickleball term.)

The department officially opened four spectacularly dazzling courts, on top of a well-manicured hill with gorgeous views of Mountain Run Lake.

“It’s an eleven!” gushed George Shackelford, one of the driving forces behind the push for the new courts, who spoke during the grand opening ceremony at Mountain Run Lake Park on October 22.

Andrew Hardy, parks and rec director, opened the ceremony to christen the new courts on a picturesque autumn morning—tailor-made for the dozens of picklers on hand, anxiously waiting to volley. Hardy thanked the Culpeper Board of Supervisors, including Chairman Gary M. Deal and Tom Underwood, both who offered remarks, for their overwhelming support and approval for the \$192,288.00 project.

Culpeper Pickleball’s Amy Hinson applauded the efforts of several Culpeper residents whose joint dedication and vision made the courts a reality. Hinson has been an ambassador for Culpeper Pickleball, having pioneered the town’s first non-sanctioned mixed-couples tournament in June.

“The Culpeper County Board of Supervisors and Department of Parks and Recreation has provided our

community with the prettiest pickleball venue in all of Virginia,” Hinson proudly stated. “We at Culpeper Pickleball could not be more excited to bring pickleball programs to our community.”

The local artist who designed an original logo to coincide with the debut of the new courts agrees. “The courts look beautiful and play even better,” said Antony Rozwadowski, whose logo was everywhere, on shirts in all the primary colors. “You can’t beat the layout overseeing the lake and trees. What a great mix of players, smiles, and fun this morning!”

The four new pickleball courts are conveniently situated near the park’s playground, restrooms and dog park. The town transferred ownership of the out-of-town park to the county late last year.

Games are played on a surface comparable in size to a badminton court, either in a singles or doubles format. A perforated polymer ball—lime green is the favorite—is volleyed over a net. Game is to 11, win by two.

## Re-cap of the 15th Annual Culpeper Cycling Century

The event shirts were labeled, the rest stop supplies were packed, the volunteers were ready to go, and cyclists were packing up...and then Hurricane Ian decided to swing by for a visit. After much deliberation and consulting with Culpeper County Emergency Management, the planning committee made the decision to cancel the event. The safety of the cyclists, residents, volunteers and staff is of paramount importance to our Department and was the leading reason for the cancellation. The planning committee is already working on the 16th Annual event, scheduled for Saturday October 7th, 2023. A huge thanks to our event sponsors for 2022.

## Spook-tacular Turnout at the Moonlight Halloween Candy Hunt!

By Davy Meister

Beams from nearly 350 flashlights danced through the late October evening, guided by colorfully costume-clad youngsters, scampering for hidden candy treats—and four Golden Pumpkins. “Moonlight Halloween Candy Hunt” was a golden success for the Culpeper County Parks and Recreation Department, organizers of the October 21st event, funded by the PATH Foundation.

The frightfully good time began 26 minutes after sunset, under the illumination of a waning crescent moon. That’s when families began levitating over to several vendors who braved the haunts to showcase themed displays.

Among the vendors were: Culpeper Police Department, Friends of the Rappahannock, Girls on the Run, Culpeper 4H, Department of Wildlife Resources, Culpeper Model Barnstormers, No Excuse Moms, and Earth Quest.
