Do You Want To Give Back and Make a Difference?

Volunteers are a vital and integral part of the Culpeper County Parks and Recreation Department (CCPRD). In some cases, programs and activities would not be an option without the support of a volunteer, and in others, volunteers help lighten a load or brighten a day. Volunteer opportunities exist in all areas of the Department from working with preschool to senior populations, to parks service helpers, to assisting with special events. The opportunities to make a difference in OUR COMMUNITY are limitless with Culpeper County Parks and Recreation.

To start your journey as a volunteer with CCPRD, visit LetsVolunteer.org for a list of currently available opportunities or contact April Coffey, Office Manager at 540-727-3412, ext. 4 or acoffey@culpepercounty.gov if you don't see something that fits your interest/skills.

Due to the limited space in this *Live Here. Play Here.* Recreation Guide, most activity descriptions have been shortened. Please check out activities you're interested in online as most will have more detailed descriptions posted there.

UNIFIED PROGRAMMING SPREADS THE LOVE!

Contributor: Holly Binkert, Recreation Manager - Athletics

Culpeper County Parks & Recreation welcomed the community for a special holiday themed unified program at the Culpeper County Fieldhouse on the morning of Valentine's Day! Unified Arts: Valentine's Cookies, Crafts, & Dance began with heart shaped cookie decorating and conversation between participants!

Among the participants in the class were an adult group of community members that attended DidLake Inc. Day Support Program! Following the cookie decorating, class participants enjoyed their creations and made Valentine Leis. Parks & Recreation Staff, Samantha Whitesides, led the group in creating the craft.

After finishing the crafts and cookies, participants migrated into the aerobics studio and learned a hula dance using scarves as props! Finally, members of the class had a full out impromptu dance party to end the program on a great note! The smiles and laughs during this activity were contagious! Look out for many more holiday themed unified programs and impromptu dance parties at the Culpeper County Fieldhouse!

REIMAGINING REC!

Contributor: Holly Binkert, Recreation Manager - Athletics

Culpeper County Parks & Recreation is reimagining recreation! Created in the Fall of 2022, Culpeper County Parks & Recreation established an inclusive recreation program that focuses on meeting participants where they are no matter their ability or need. Unified programming creates an environment in which all can enjoy recreation.

The first ever unified program was New Year's Eve themed. Participants created wish wands for the year to come and the program concluded with an old-fashioned New Years countdown and balloon drop. Participants of all ages and abilities enjoyed themselves together.

All programs were open to those with all abilities and needs! One program that was largely successful was the Special Olympics: Young Athletes Program, which is an inclusive program that welcomes those with and without disabilities ages 2-7 for one common goal, PLAY! These sessions took place Saturday mornings in the Culpeper County Fieldhouse gymnasium. Participants bopped around the gym and worked on important developmental skills such as following directions, communication, and taking turns! Other unified programs in the winter and spring included: Unified yoga, Unified Cheer Clinic, Unified Sports: Soccer, Unified Sports: Basketball, and a special Valentine's Day Program that focused on spreading the love!

FINANCIAL AID & SCHOLARSHIP INFORMATION NEW!

NOW AVAILABLE!!! Access Assistance Program & Youth Sports Financial Aid

Culpeper County Parks & Recreation strives to serve as many Town and County residents as possible. Recognizing that financial constraints and barriers can make it difficult for many to participate in recreational programs and activities the Department is now offering two (2) Financial Assistance Programs.

1.) Access Assistance Program (AAP): A designated amount of funds, based on Federal SNAP criteria, will be applied to a Culpeper County or Town family or individual's Culpeper County Parks & Recreation (CCPR) account to be used to participate in an activity hosted by CCPR.

2.) Youth Sports Financial Aid (YSFA): The YSFA will provide a designated amount of funds, based on Federal SNAP criteria, to be used to register for one (1) youth sport per season (Fall, Winter, and Spring. Summer is excluded).

To review the complete Culpeper County Parks & Recreation Access Assistance Program, please go to www.culpeperrecreation.com, email triley@culpepercounty.gov or contact our offices Monday-Friday from 8:00am to 4:30pm at 540-727-3412. As a reminder, funds are available on a first come, first served basis.

We would like to acknowledge the generous funding, both from private and public community fundraising efforts such as the annual CulpeperPalooza event in April that supports music programs. We are also grateful to have received funding from the Virginia Foundation for Healthy Youth. VFHY funding provides infrastructure support to build and sustain Healthy Communities Action Teams (HCATs). These community collaboratives drive long-term policy, systems and environmental (PSE) changes that support at least one of eight healthy behaviors that prevent and reduce childhood obesity.
