### Do You Want To Give Back and Make a Difference?

Volunteers are a vital and integral part of the Culpeper County Parks and Recreation Department (CCPRD). In some cases, programs and activities would not be an option without the support of a volunteer, and in others, volunteers help lighten a load or brighten a day. Volunteer opportunities exist in all areas of the Department from working with preschool to senior populations, to parks service helpers, to assisting with special events. The opportunities to make a difference in OUR COMMUNITY are limitless with Culpeper County Parks and Recreation.

To start your journey as a volunteer with CCPRD, visit [LetsVolunteer.org](http://LetsVolunteer.org) for a list of currently available opportunities or contact April Coffey, Office Manager at 540-727-3412, ext. 4 or [acoffey@culpepercounty.gov](mailto:acoffey@culpepercounty.gov) if you don't see something that fits your interest/skills.

Due to the limited space in this *Live Here. Play Here.* Recreation Guide, most activity descriptions have been shortened. Please check out activities you're interested in online as most will have more detailed descriptions posted there.

# CULPEPER LITTLE LEAGUE TO HOST 2023 AND 2024 STATES EVENTS

Culpeper Little League is excited to announce that they will be hosting the Little League Softball State Tournament for ages 10-12 in the summer of 2023! Teams from around the State of Virginia will convene at the Culpeper Sports Complex to battle it out for a softball state title! In the past, Culpeper has hosted District 14 championships, but has never had the opportunity to host a state tournament. With the addition of field lights on all baseball/softball fields in the spring of 2022, Culpeper was able to put in a bid to host states. Tournament bids come to District 14 once every four years, however this does not guarantee a site will host the tournament. The competition at the state level is fierce as for the past two years, the 10-12 Culpeper all-stars softball team has faced Chesterfield County Little League in the state tournament. Chesterfield has been in the spotlight on ESPN for the past several years fighting for a national Little League championship. Chesterfield came in second place in the 2021 National Tournament and third place in the 2022 National Tournament.

Culpeper has also secured the hosting rights of the Little League Baseball State Tournament ages 10-12 in the summer of 2024. This is quite the honor to be hosting

baseball as this opportunity only comes around once every 16 years per section in Virginia.

Each state tournament kicks off with a player/parent picnic on Thursday and a coaches meeting to discuss rules and regulations. Play will then continue throughout the weekend and into the following week with the winner being crowned midweek. Be sure to check out <http://culpeperll.org> for more information as the event gets closer.
