VOLUNTEER & MAKE A DIFFERENCE!!!

Every year, countless volunteers come out to support parks and recreation services by giving back to the community with their incredibly talented abilities. Volunteers from all different ages, and different backgrounds come together in order to enhance leisure opportunities by supporting the Department's unique and diverse facilities, parks, programs, and special events.

Volunteers can perform a variety of duties and support tasks, including:

- Capturing real-time photos of programs, special events, and parks.
- Contributing to the beautification of a park through planting or trash pickup.
- Reimagining Recreation and assisting individuals with disabilities so they can take part in recreation programs, activities, and/or special events.
- Assisting at the Culpeper County Fieldhouse with such tasks as answering phones, arranging files, registering participants, and greeting visitors.
- Improving the life of a child, teen, adult, and/or senior through recreation programs and activities in the areas of Creative Expression, Enrichment, Health & Wellness, Athletics, Summer Camps, Paws & Hoofs, and more!!!

These exciting and rewarding volunteer opportunities are available for individuals or groups such as schools, company engagements, and clubs. A large portion of our volunteers consist of students at high school seeking to fulfill a community service requirement. Our Parks & Recreation staff are more than willing to verify your hours. Who knows? Perhaps after your requirements have been met, you'll find you'd like to continue volunteering so that you can assist in "building a better community for all." A complete list of volunteer opportunities can be found on [our website](#).

Thanks as always,
Culpeper County Parks & Recreation Staff

YOUTH SPORTS FINANCIAL AID

Youth Sports are a vital part of growing up and developing life skills – team work, sportsmanship, and more. Every child should have the opportunity to participate in youth sports regardless of financial ability. Even though the local youth sports leagues are not operated by CCPR, thanks to funding from the Culpeper County Board of Supervisors and the Culpeper Recreation Foundation, CCPR is able to offer financial aid for Culpeper County/Town youth to be able to participate with one league per Fall, Winter, and/or Spring seasons. (Summer is excluded). Leagues available this Fall include Culpeper Little League (see online for deadline); Culpeper Football Association (deadline August 5), and Culpeper Soccer Club (deadline July 7).

To review the financial aid application(s) and qualification(s), go to www.CulpeperRecreation.com or contact Tabitha Riley, Programs & Facilities Supervisor at TRiley@culpepercounty.gov or 540-727-3412.

INSTRUCTOR SPOTLIGHT: VICTORIA WEAVER

We should always keep in mind that a new activity is worth the try, despite how often we put off doing new things. This also applies to the teacher. New to Culpeper County Parks & Recreation is instructor **Victoria Weaver**. She is our youngest instructor and has a passion for all things crochet. In fact, she is self-taught, highly motivated, and enjoys creating new patterns of her own to share with us all. Although she can teach the basics, her theme in projects is the popular amigurumi-style, which is generally a lightweight, stuffed crochet toy or animal. It was during Covid, that she taught herself how to crochet with yarn she has retained from her childhood. First projects included a scarf and bumblebee; not pleased with her work, she continued to find ways to keep up her momentum and make improvements. She quotes her band director in motto, "Practice doesn't make perfect, it makes progress." Words we can all heed and remember. So come out, try your hand at crocheting and meet Victoria. Look for Victoria's next program "Crochet Project: Just Ducky" on page 5.

CULPEPER COUNTY PARKS & RECREATION'S WINTER MARKET – WONDERFUL SUCCESS

February 4, 2024 was a beautiful, sunny but chilly day. It was also the date of Culpeper County Parks & Reservation's first INDOOR Winter Market. Forty-seven vendors and two food trucks displayed their wares. More than 1,300 shoppers came through the doors of the Culpeper County Fieldhouse to see what unique and needed treasure they could find. From fresh baked bread to scented wax, and antiques to grass-fed beef, there was something for every shopper.

Some comments from the vendors:

"We did extremely well at this event. It was well organized and had a great mix of vendors." UnArtd Territory

"This was our first event like this and we had a really great time. We saw a lot of people and would love to come back to participate again! So many options from a variety of participants. You will definitely find what you are looking for and maybe a few things you didn't know you wanted or needed!" Pam

"This was a terrific show! It was organized, well-advertised on social media, great communication with the vendors, ease at check in and also into and out of the event. The venue was clean and neat. Very, very pleased and will vend again at future shows!" Mary Mac Designs

The vendor markets are definitely a niche that CCPR has found and will continue to offer to the community. We are currently accepting booth reservations for our 2nd Annual Summer Sale! Community Vendor & Flea Market on July 27th. Due to the success of the Winter Market, we have decided to add INDOOR spaces to the Summer Sale. Also now available, is the Harvest Market (September). Visit us [online](#) to check out all of our Vendor opportunities.

VROOM VROOM!!!

Culpeper County Parks & Recreation began the Reimagining Recreation Initiative in the Spring of 2023. With the goal of developing an inclusive and adaptive recreation system for community members of all abilities – transportation to recreation and leisure services was a necessity. Hello.....Regional Transportation Collaborative (RTC) with the mission of *"Improving our community's mobility together. More options, more mobility"*.

Through their donation of a Ford E-Series Cargo 8-Passenger Van, \$6,000.00 for maintenance, fuel, and insurance and an additional \$4,000.00 for a professional vehicle wrap to the Culpeper County Parks & Recreation Department – the RTC exemplified the

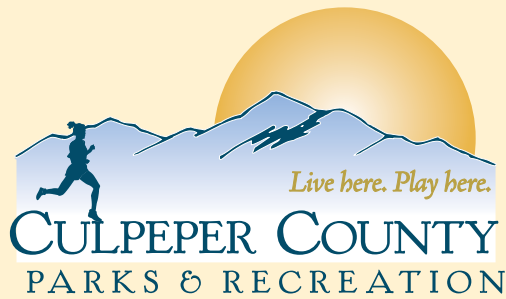

true meaning of "together we can achieve more." As a Department, we would like to extend our heartfelt thanks to the Rappahannock-Rapidan Regional Commission and the RTC for their commitment to community and inclusive recreation.

"Unless someone like you cares a whole awful lot, nothing is going to get better. It's not?" - The Lorax

OUTDOOR AED STATIONS COME TO THE CULPEPER SPORTS COMPLEX!!!

CULPEPER, VIRGINIA - On Monday, March 18, 2024, The Park Services Division of Culpeper County Parks & Recreation finished the installation of four (4) Outdoor AED Stations at the Culpeper Sports Complex – 16358 Competition Dr., Culpeper, VA 22701. This project was made possible thanks to the combined efforts of the Culpeper County Parks & Recreation Department, Culpeper County Emergency Services and Public Safety Communication Center, The Big Man Foundation, as well as, generous donations from Mr. Scott Found and the NFL Foundation.

Casey Kroll, CEO of The Big Man Foundation remarked that "...we want to extend our sincere appreciation to our community leaders Andrew J. Hardy (Culpeper County Parks & Recreation), George Keefer (Culpeper County Emergency Services), and Jenny Rosenfeld (Public Safety Communication Center). They were incredible collaborators when it came to advancing our One Heartbeat Initiative. From their receptiveness, to our original concern about AEDs in the complex, to their forward-thinking approach on how we can work together to better serve our community, they were fantastic to work with. Their professionalism refined and improved our original project, which has truly elevated the safety standards for athletes and coaches in our community. Their leadership exemplifies the essence of progress and partnership, and we are grateful for their unwavering support."

As a County, each and every Division is fully committed to not only providing quality services, but improving our residents' safety as well. Mr. Kroll summed up this opportunity by stating, "...at the end of the day, this project is ultimately the result of the strength of our community bonds and the values of responsibility and service to others that it instills. By ensuring improved access to life-saving AED devices in our local sports complexes, we honor the legacy of support that has shaped not only my journey but the journeys of countless others. It's an honor to pay it forward."
