In-House Services

CJS staff conduct risk and need assessments, case planning, motivational interviewing, substance abuse testing and screening, Litter Control and facilitate Moral Reconciliation Therapy (MRT). CJS also refers and monitors probationer's placement in services as listed in **Placement in Services**.

CJS staff are focused on recidivism reduction and are tasked with assisting probationers to lower their criminogenic risk factors by assisting them with increased internal motivation, prosocial thought processes, prosocial activities, prosocial peers, prosocial family relationships, and skill building.

CJS staff also assist probationers with job searches and financial management.
