

# *Litter Pickup 15 years of Operation*

In July 2006, CJS began the Litter Control Program. Over the past 15 years, probationers have cleaned 13,839 miles of Culpeper roadways.

The Board of Supervisors decision to create the Litter Control Program continues to produce benefits for every citizen of Culpeper.

**Since 2006: 671,056 pounds of trash**

## **FY21 data:**

10.49 tons of trash picked up (1,234 bags)

335 miles of roads cleaned

1,123 hours of community service

18 tires removed

## *In-House Services*

CJS staff conduct risk and need assessments, case planning, motivational interviewing, substance abuse testing and screening, Litter Control and facilitate Moral Reconciliation Therapy (MRT). CJS also refers and monitors probationer's placement in services as listed in **Placement in Services**.

CJS staff are focused on recidivism reduction and are tasked with assisting probationers to lower their criminogenic risk factors by assisting them with increased internal motivation, prosocial thought processes, prosocial activities, prosocial peers, prosocial family relationships, and skill building.

CJS staff also assist probationers with job searches and financial management.

# CJS PROBATION

## Overview & Mission Statement

Culpeper County Criminal Justice Services (CJS) probation provides local probation services to misdemeanor and non-violent felony placements.

The mission of Culpeper County Criminal Justice Services is to promote public safety and assist in the fair administration of justice through the utilization of evidence-based practices.

## FY 2021 Probation Placements

Individuals Placed on Probation	225
Probation Referrals (Cases)	248
Average Daily Caseload	164

**\$21,552.10** facilitated in court costs and fines

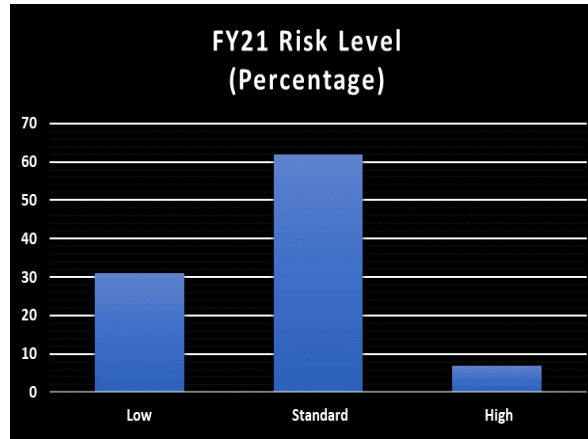

**\$17,455.37** facilitated in victim restitution

**\$3,850** collected in supervision fees

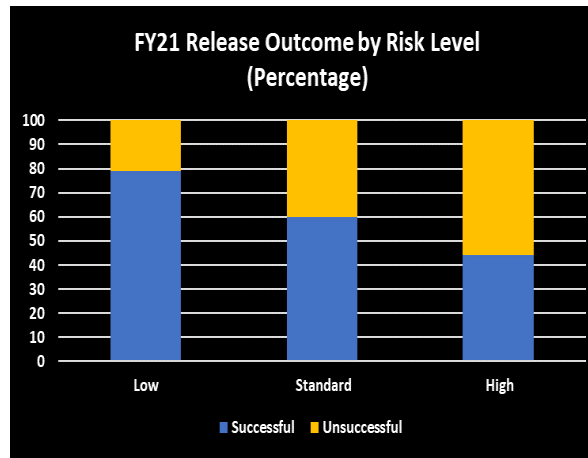

**2,137.50** community service hours completed

**(\$20,306.25** of labor based on minimum wage)

## Risk Level Data

The above graph indicates the risk level of probationers that were placed with CJS and their cases were closed in FY21 as either successful or unsuccessful.

The above graph indicates how probationers were released in FY21 according to their risk level. Risk level data has remained consistent throughout the years and is a strong predictive factor of probation success or failure.
