# TERMS OF CREDIT

Addendum #1  
Culpeper County Transfer Station  
Credit Agreement

---

In consideration of the extension of credit to the attached applicant, the account holder agrees to the following stipulations and conditions of credit:

1. The account holder agrees that failure to properly maintain this account may, at the County's sole discretion, result in the termination of this account, and that the account holder shall pay any collection costs, including reasonable attorney's fees, should the County elect to bring suit in order to collect any overdue or delinquent account or account balance.
2. That reasonably allowable fees and costs are those actually expended in the pursuit of judgment or settlement. For these purposes, the County Attorney's time will be valued at \$150.00 per hour.
3. The Terms of Credit shall be those as set down by the County at the time of approval, and as later modified. The County reserves the right to modify the Terms of Credit at any time after approval, with notice to the account holder as may be required by law.
4. Any delinquent account is subject to ACCELERATION and PAYMENT IN FULL without terms, at the option of the County.
5. In the event that payment is not made within 30 days of the specified due date, the account will be subject to closure. After the closure of an account, all transactions at the Culpeper County Transfer Station for this account and its owner will be due and payable at the time of the transaction. The only accepted method of payment for transactions will be cash, if and until a new account is established with the County of Culpeper. A new landfill credit application may be submitted for consideration after closure of an account. The application will be reviewed and a determination made based on payment history, as well as from information obtained from any credit references provided in your application.
6. If the account holder disagrees with the amount of any invoice for any reason, the account holder shall IMMEDIATELY notify the County of such disagreement so that the disagreement may be resolved before the due date for payment of such invoice. If the account holder fails to give such notification, or if the account holder and the County are unable to resolve such disagreements prior to the due date, such invoice shall be paid in full by the account holder according to its terms by the due date, and the payment made shall be subject to adjustment upon final resolution of the disagreement.
